

Mercury Systems to report fourth quarter and full fiscal year 2023 financial results on August 15, 2023

Jul 11, 2023 at 7:01 AM EDT

ANDOVER, Mass., July 11, 2023 (GLOBE NEWSWIRE) -- Mercury Systems Inc. (NASDAQ: MRCY, www.mrcy.com), a technology company that delivers processing power for the most demanding aerospace and defense missions, will release its fourth quarter and full fiscal year 2023 financial results after the market close on Tuesday, August 15, 2023.

Management will host a conference call and simultaneous webcast at 5:00 p.m. ET on the same day to discuss Mercury's quarterly financial results, business highlights, and outlook. In addition, Company representatives may answer questions concerning business and financial developments and trends, the Company's view on earnings forecasts, and other business and financial matters affecting the Company, the responses to which may contain information that has not been previously disclosed.

To attend the conference call or webcast, participants should register online at ir.mrcy.com/events-presentations. Participants are requested to register a day in advance or at a minimum 15 minutes before the start of the call. A replay of the webcast will be available two hours after the call and archived on the same web page for six months.
