Item 1.01. Entry into a Material Definitive Agreement.

On June 1, 2006, the Compensation Committee of the Board of Directors of Mercury Computer Systems, Inc. (the "Company") granted stock options under the Company's 2005 Stock Incentive Plan (the "2005 Plan") covering an aggregate of 331,000 shares of the Company's common stock to the following executive officers of the Company: Robert E. Hult, Senior Vice President, Operations and Finance, Chief Financial Officer (62,000 shares); Marcelo G. Lima, Vice President and General Manager, Commercial Imaging and Visualization (69,000 shares); Craig Lund, Vice President, Chief Technology Officer (54,000 shares); Mark F. Skalabrin, Vice President and General Manager, Advanced Solutions (69,000 shares); and Didier M.C. Thibaud, Senior Vice President, Defense and Commercial Businesses (77,000 shares). The exercise price of the stock options is \$16.36 per share. These options are exercisable in full commencing on June 1, 2009, provided that the grantee remains an employee of the Company as of that date, and expire on June 1, 2016.

The form of Stock Option Agreement with respect to the above-referenced grants provides that the stock option shall terminate and no portion will be exercisable on the earliest of the following:

- the expiration date;
- the date the grantee ceases to be an employee of the Company due to dismissal for cause or because the grantee is in breach of any employment agreement with the Company;
- 12 months following the date the grantee ceases to be an employee of the Company due to permanent disability;
- 12 months following the date of the grantee's death;
- five years following the date the grantee ceases to be an employee of the Company due to retirement; and
- 90 days following the date the grantee ceases to be an employee of the Company for any reason other than as described above.

The stock option will be exercisable as described above after the grantee's death or after the grantee otherwise ceases to be an employee of the Company only to the extent it was vested and exercisable immediately prior to the employee's death or cessation or termination of employment.

Each of the above-referenced executive officers has previously entered into a change in control severance agreement with the Company which provides, among other things, that if the executive is employed by the Company upon the occurrence of a change in control (as defined in the agreement), vesting of all his then outstanding stock options and other stock-based awards immediately accelerates and all such awards become exercisable or non-forfeitable.

The form of Stock Option Agreement under the 2005 Plan is filed herewith as Exhibit 10.1 and incorporated herein by reference.
