Mercury Computer Systems to Present at the Noble Financial Capital Markets' Seventh Annual Equity Conference

CHELMSFORD, Mass., May 02, 2011 (BUSINESS WIRE) --

Mercury Computer Systems, Inc. (NASDAQ: MRCY), a trusted provider of commercially developed ISR subsystems, announced that it will participate in the Noble Financial Capital Markets' Seventh Annual Equity Conference at the Hard Rock Hotel in Hollywood, Florida. Management will present an overview of the Company's business on Tuesday, May 17th, at 9:30 am Eastern Time.

An audio webcast and archive of the event will be available through the Company's website at www.mc.com/investor under "Financial Events," or through the Noble Financial websites www.noblefcm.com or www.noble7.com. Noble Financial recommends registering at least 10 minutes prior to the start of the presentation to ensure timely access. You will need a Microsoft SilverLight viewer (a free download from the presentation link) to participate. A replay of the webcast will be archived for three months on the Company's website under "Financial Events."

Mercury Computer Systems, Inc. - Where Challenges Drive Innovation[®]

Mercury Computer Systems (www.mc.com, NASDAQ: MRCY) is a best of breed provider of open, commercially developed, application-ready, multi-INT subsystems for the ISR market. With 25+ years' experience in embedded computing, superior domain expertise in radar, EW, EO/IR, C4I, and sonar applications, and more than 300 successful program deployments including Aegis, Global Hawk, and Predator, Mercury's Services and Systems Integration team leads the industry in partnering with customers to design and integrate system-level solutions that minimize program risk, maximize application portability, and accelerate customers' time to market.

Mercury is based in Chelmsford, Massachusetts, and serves customers worldwide through a broad network of direct sales offices, subsidiaries, and distributors.

Challenges Drive Innovation is a registered trademark of Mercury Computer Systems, Inc. Other product and company names mentioned may be trademarks and/or registered trademarks of their respective holders.
