Explanation of Responses:

1. Represents shares underlying performance stock awards that were forfeited as a result of below-target performance.

Remarks

This amendment is being filed to correct an error in the original filing that reported the number of shares of the issuer's stock held indirectly through the 401(k) plan as 1,419 shares. The correct amount of the issuer's shares indirectly held through the 401k plan as of the original filing date was 1,030 shares.
